

plastics and wire products for the concrete construction industry

Spacer Wheels

- ◆ 100% plastic construction eliminates exposed metal that can rust.
- ◆ Dual-sided hub for maximum support and resistance to leaning.
- ◆ Bar/Mesh design.
- ◆ Small form contact points.
- ◆ Ample through holes for maximum concrete flow.
- ◆ Covers from 5/8" to 3.5".
- ◆ Standard color grey but white, sand, tan, and custom colors are available.

Cover	Wheel Diameter	Bar QTY/Box	Average lbs./Box	Mesh QTY/Box	Average lbs.Box
5/8"	1.875"	1,800	28	-	-
0.75"	1.875"	2,000	28	1,800	25
